

"I Never Knew"

Verse 1: I never knew that I could be so happy
I never knew what life was about
I never knew how great I'd feel
'Till I met you

Verse 2: I never seen, seen it comin'
You walked right in, into my life
Now I was the happiest man alive
You meant everything to me

Chorus: I never knew how lonely I'd Be
With you not by my side
Now you're gone to the great beyond
I'll never love another like you

Verse 3: I never knew what I had
'Till you slipped right out of my life
If I could just hold you again
I'd give anything

Chorus: I never knew how lonely I'd Be
With you not by my side
Now you're gone to the great beyond
I'll never love another like you

Verse 4: I never knew how lucky I was
'Till you slipped right out of my life
If I could just hold you again
I'd give anything

Add: I'd give anything
I'd give anything
