

"I Will Always Love You"

Verse 1: My Life has never been the same dear
Since you walked into my life
And I hope you'll marry me this year
So you can be my wife

Verse 2: Since the first time I saw you
I knew it was love at first sight
And I know that you felt it too
When I kissed you that night

Chorus: I will always love you
And I hope you'll always love me too

Verse 3: Take my hand and never let it go my love
For I promise I'll always be true
(And) I feel like I'm on a cloud above
When I'm walkin' with you

Chorus: I will always love you
And I hope you'll always love me too

Verse 4: Just remember I will always go on loving you
Till death do us apart
But even then I won't be blue
Cause I'll still have you in my heart

Add: Oh, I won't be blue cause I'll still have you in my heart
