

"Rock & Roll"

Verse 1: Rock & Roll has always been
Considered a very most evil sin
And it has lasted thru out the years
Thru out the million fears
Ahh...the fear that it would soon die
Like a passing fad that's gone by and by
But it's still here in the present day
Holding a million fans at bay....

(Mmm.....yea)
(Mmm.....yea)
(Mmm.....yea)

Chorus 1: Rock, Rock, Rock & Roll
It will always be here
And I won't have no fear
Of the music called Rock & Roll

(Hea, Hea...)

Verse 2: Rock & roll will always be
A guiding light that'll lead me
(And) It will never lead me astray
For I worship it every day
Day by day and night by night
The light shines so bright
Damn, the ones who try to stop it
For the light will always be lit....

(Mmm.....yea)
(Mmm.....yea)
(Mmm.....yea)

Chorus 2: Damn , Damn, the Righteous Ones
They've always been against it
And they've taken it apart bit by bit
But they'll never take away our souls

(Hea, Hea...)

Verse 3: Rock & Roll will never be sad
It will mostly be bad
And it will tell a story
Of life's most reality
Drugs and women have always been there
To show their most evil affair
That's the lifestyle that will always stay
Like a suns burning ray....

(Mmm.....yea)
(Mmm.....yea)
(Mmm.....yea)

Chorus 3: Hail, Hail, Rock & Roll
It will always be here
And I won't have no fear
Of the music called Rock & Roll

(Hea, Hea...)
(Hea, Hea...)
(Hea, Hea...)
