

"SANTA CLAUSE IS COMING"

He's wearin' that red suit and sportin' that beard
It's a jolly good season this year
And I can't help but hear that Christmas sound

He's passin' the clouds up and passin' the moon
He'll be at our chimney's real soon
To deliver those gifts on Christmas day

He's bringin' presents to everyone that's good
He's been around long before Robin Hood
And when we're gone he'll still be around

Verse 3: Well knell right down beside your bed tonight
Santa Clause is coming while you pray
You'll hear Christmas chimes the very next day
When you see al your presents in the daylight

He's bringin' presents to everyone that's good
He's been around long before Robin Hood
And when we're gone he'll still be around
