

## Key of C

### There I Was In Love With You

Verse 1: I never thought that I could ever feel this way  
Until I moved away  
(Then) I realized, that I was going to miss you  
And there I was in love with you

Verse 2: I wish I had spoke, up long ago  
And told you I loved you so  
Would it have made, a difference to you  
Cause there I was in love with you

Chorus: So here I am still in love with you  
Nearly does a day go by  
That I don't sit here and cry  
Wishin' I had tried with you

Verse 3: I guess I'm not the kind of guy, you dreamed of  
The one that you would always love  
So then you found, someone new  
And there I was in love with you

Chorus: There I was in love with you  
I never, ever stood a chance  
To take you out and dance  
The night away with you

Chorus: So here I am still in love with you  
Nearly does a day go by  
That I don't sit here and cry  
Wishin' I had tried with you

Add: Wishin' I had tried with you  
For I'm so in love with you...
