

Key of Cm (Am-Capo 3rd fret)

"Why Did You Do This To Me"

Verse 1: You cried when he died and I just couldn't figure out why
When you didn't like my friend, anyway
Then I seen, just why
When you reached down and kissed him goodbye

Verse 2: How long has this, gone on
Did you love him, like you said you loved me?
What did I do, tell me, what did I do
Why did you have to do this to me?

Chorus: Why...oh why, why...oh why
Why...oh why, Did you do this to me?

Verse 3: What did I do, would you tell me please?
Was it something I said, for you to hurt me?
Don't shake your head, as if it wasn't true
Cause if it wasn't, you'd love only me

Verse 4: What could I have done to change things?
I lost a friend and lover that day
You see things are never, quite as they seem
And I never saw it coming my way

Chorus: Why...oh why, why...oh why
Why...oh why, Did you do this to me?
