

Key of C#m (Am 5th fret)

Why

Verse 1: Sometimes I think I'm a damn, damn fool
For thinking that I had everything
But now I know I wasn't so cool
And now all I do is sit around and sing...

Chorus: Why, oh why, oh why
Why, oh why, oh why...

Verse 2: We were together for many, many years
Livin' everyday, just like the day before
Then you come to me, your eyes filled with tears
You said it ain't workin', as you walked out the door

Chorus: And I cried, why, oh why, oh why
Why, oh why, oh why...

(Instrumental)

Verse 3: Tell me this is temporary and your comin' back to me
I just can't live in this world, without you
I know I've done wrong and it's plain to see
Won't you tell me so and I won't have to ask you...

Chorus: Why, oh why, oh why
Why, oh why, oh why...

Verse 4: Now I'll leave you alone, to think about it
And if you decide to come back to me
I promise that I won't, make you regret it
While we live together, then you will see...

Chorus: Why I don't ask...why, oh why, oh why
Why, oh why, oh why...

(Break)

Chorus: Why, oh why, oh why
Why, oh why, oh why...
